

“CAD/CAM/CAE *Observer*” magazine is distributed primarily on subscription base through subscription agencies and catalogues (“Rospechat”, “Pressa Rossii”, etc.) in Russia, Ukraine, Belarus, Kazakhstan and other CIS countries, through Editorial office (especially for readers from European countries, USA, Israel, and etc.), as well as on thematic exhibitions, trade shows, conferences and seminars, held in Russia, CIS and in The Baltic States. The full list of subscription options is available at [www.cadcamcae.lv/sub.html](http://www.cadcamcae.lv/sub.html)

Editorial owns and constantly renews exclusive database that includes up-to-date contact information of almost all active manufacturing enterprises in Russia, CIS and The Baltic States. These contacts are used to perform additional magazines distribution – VIP – based on advertisers request to:

- largest industrial, manufacturing and research-and-production companies;
- well-known high schools, research institutes and design bureaus;
- federal, republic, municipal and university libraries;
- Chambers of Commerce and Industry, embassies and engineering associations.
